Questions for Your Doctor:

This list of questions may help you decide which treatment is best for you. Time may be limited with your doctor, so decide which questions are most relevant to you before your appointment.

- ▶ **What causes atopic dermatitis?**
- ▶ **Is atopic dermatitis common? About how many individuals with atopic dermatitis do you treat every year?**
- ▶ **What are my treatment options? What are the risks and benefits?**
- ▶ **How soon can I expect to see results when using my treatment?**
- ▶ **How do I know if I am responding well to my treatment?**
- ▶ **How do I know if I can't tolerate my treatment?**
- ▶ **How can I improve my current skin care routine?**
- ▶ **Write down any other questions you might have:**
